Leave your parcel at the front door and

Run away like you did before

Let's consider a change of scenery

It's getting boring by the sea

Oh no, no no no no

I can't escape anything in this town

Knock yourself out

Oh no, no no no no

I can't escape anything in this town

Knock yourself out

Such a harsh town

Yet so easily

It's never been much

In front of me

Keep quiet

Keep quiet

Keep quiet

Let's consider a change of scenery

It's getting boring by the sea

Oh no, no no no no

I can't escape anything in this town

Knock yourself out

Oh no, no no no no
I can't escape anything in this town
Knock yourself out
Oh no, no no no no
I can't escape anything in this town
Knock yourself out

Anything in this town
(Can't escape) anything in this town
(Can't escape) anything in this town
(Can't escape) anything in this town

Leave your parcel at the front door and
Run away like you did before
