Go, Go ape shit, Go ape shit  
Go, Go ape shit, Go ape shit  
Go, Go ape shit, Go ape shit  
Well, I'm about to let it go down

Hopped up like Dennis Hopper on speed  
I'm gonna smoke your ass like cheech and chong  
smokes weed  
My cum's so chunky it's like an Oreo McFlurry  
I'm gonna fuck your face til your eyes get blurry

Motherpoker, I'll be poking you right up, Now you're  
choking  
Bitches suck my cock like Slash loves rock  
I'm your fack, Get up on your bare back  
When they find you they're gonna find you on the  
ceiling

Bashed up, Gashed up, You ain't got no feeling  
Stick 'em in a wheelchair, I'm your favorite nightmare  
I'ma die hard like Bruce fucking Willis  
I am not sick I'm just simply the illest, Uh huh

It's on like donkey kong  
On, on, on like donkey kong  
It's on like donkey kong  
On, on, on like donkey kong

Bitch, I don't know if you can handle this schlong  
Go, Go long I'm on like King Kong

Chopping through the butcher's shop, Racking the  
meat  
You'll climax so hard the autotunes'll make your ears  
bleed  
Getting fucked from behind his head on the pelvis  
I'm down for deep anal, Bitch, I'm not about the cervix

Blonde Barbie Ken, Fuck the hollister shit  
I'm more queer than Clay Aiken with aberzombie and  
bitch  
And when you come back yelping for a second helping

You'll be screaming "Jayy Von!" while I'm  
motherfucking felching  
Neck, Back, Sack then onto the scrotum  
Got more fucking crack than the hoods and Harlem  
Spray me, Don't date me; Use your mouth not your  
hand  
I'd swallow your cum like vodka if my name was Lindsay  
Lohan

If there's a way, There's a train, Ride it on me  
I'll be your railroad baby, Just give me your seat  
This faggot just fucked your girl, She got rid off her  
pussy  
Sewed her snatch got a dick just so she could fuck me!

It's on like donkey Kong  
On, on, on like donkey Kong  
It's on like donkey Kong  
On, on, on like donkey Kong

Bitch, I don't know if you can handle this schlong  
Go, Go long I'm on like King Kong

I'm slamming bitches like kong slams a barrel  
Fuck more witches like I'm Captain Jack Sparrow  
Cock so good ahead I had to put it in a song  
It's wrong, wrong, wrong like Gaga's got a ding dong

Slamming them like Barrells

Go, Go ape shit, Go ape shit  
Go, Go ape shit, Go ape shit

It's on like donkey kong  
On, on, on like donkey kong  
It's on like donkey kong  
On, on, on like donkey kong

Bitch, I don't know if you can handle this schlong  
Go, Go long I'm on like King Kong

I'm slamming bitches like kong slams a barrel  
Fuck more witches like I'm Captain Jack Sparrow  
Cock so good I had to put it in a song  
It's wrong, wrong, wrong like Gaga's got a ding dong
