

Blood On The Dance Floor "Let's Start A Riot"

Visit "[Let's Start A Riot](#)" on [MotoLyrics.com](#)

Slash, gash, terror, whore
I like you better on the floor,
Sock it to me, ultra hot,
Danger, danger on the spot
On the bed give me head
Make you scream, (candy cream)
Scene sluts like it super rough, thats the way they like
to fuck,
I like to twirk, I like to hurt,
Bitch dont make me fucking work,
I'll lick it up, I'll suck it up,
Now get on the floor, lets fuck it up
Now make your move into my room,
And i'll whip out my Dr. Doom,
(uh, what the fuck?)
Bitch just shut up and suck,
Lets rock our bodies in time into the beat,
And you can feel it as we turn up the heat,
I need to feel myself inside you so deep,
Lets rock our bodies in time into the beat,
And you can feel it as we turn up the heat,
I need to feel myself inside you so deep,
Uh uh, I like it rough
Uh uh, I'll give it tough,
Uh uh, I'll make you lust,
Uh uh, I'll make you bust,

Let's start a riot!
Let's start a riot!
Uh uh, I like it rough
Uh uh, I'll give it tough,
Uh uh, I'll make you lust,
Uh uh, I'll make you bust,
Lets start a riot!
Lets start a riot!
Its like a porno flick, I just cant stop this hit,
Im poppin some explicit shit,
Im pure triple x, Redefine ultra sex,
Even your girlfriend says (hes the best)
Im just a naturalistic, superstylistic, fashion addicted,
glamour inflicted,
Text me nudes from your sidekick,

(Like oh my god Becky, did you see his dick?)
Theres blood on the dance floor,
We'll bring it once more,
Cant stop until we drop,
Cant stop until we pop,
Theres blood on the dance floor,
We'll bring it once more,
Cant stop until we drop,
Cant stop until we pop,
Let's start a riot!
Let's start a riot!
...
Let's start a riot!
Let's start a riot!
