Fasten Your Seatbelts!
It's Going To Be A Bumpy Ride!

Glammed Up Fabulous,
Looking Hot, Dangerous!
So Vicious, Delicious,
I Got You Fucking Like It's Fitness!

Cut to the chase,
Come get a taste.
I'll tell a bitch,
Straight to her face.
Yeah motherfucker I'm high as fuck,
Suck on my dick and lick my nuts,
Up and down and up, up, up,
Suck me till I buh buh bust.
Triple x like ven dee,
Rockin in my fendi.
Money bitches sex and fame.
I'll teach you how to end this game.
I'm explicit,
I don't give a shit,
Man I'm rated motherfucking x,
Can't catch me, I'm at the top,
Smoke em dead, I'm the cream of the crop
Party on dudes,
Girliez sending nudes,
Party fools,
No rules,
I'll make your bitch drool!

Jet black diamond hair
People stare, I don't care
Want a taste! ?
Sure I'll share.
Gotta be big, I'll take you there!

You can suck my motherfucking dick.
I'll throw a dildo in your grave,
Party up and start a rave,
Score your drinks and score your drugs.
Pimp your mumma at the club.
