I can live a better life  
Without you  
On my mind  
Don't need you  
To decide  
Without you  
I'll be fine

I should've known  
Something this perfect  
Would've be so  
Damn destructive  
I can live  
A better life  
Without you  
On my mind

Put me under  
Under the knife  
Love will be gone  
When I open my eyes sedate  
Me loveotomy  
Now you're gone  
Leaving memories behind  
Erasing you, from my mind  
Sedate me loveotomy  
Now Your gone

I can finally  
See now  
That love really  
Isn't blind  
I can finally  
Breathe again  
Once your  
Memory has died

I'm over it  
I'm over you  
I wished you dead  
My wish came true
