P.L. U.R.

Peace, love, unity, respect

These are all the things

That I will never forget

No hate

Just party and play

Let the lights hypnotize my brain

Just dance like it's my last chance

To be alive

Tonight's the night

I don' t have to fight for my right

Cause everybody knows I live for the rave

But I do need a longer string for my kite

Cause everybody knows I'm high all day

I'm high on life cause music' s what I breathe

Party, party, party everyday all week

P. L.U.R. is what I stand for

Cause out on the floor no one can judge me

Don' t judge me

Just love me

I'm not a criminal

I'm innocent

So come and set me free

I choose ecstasy

And music's my religion

Magic is my kingdom

And the dance floor is my heaven

I get P. L.U.R .

Woohoo!

I get P. L.U.R .

Woohoo!

I get P. L.U.R .

Start to lose

All control

Of my mind

Body and soul

Feel the vibe

Like it's my last day
To be alive
Tonight tonight

I don't have to fight for my right
Cause everybody knows I live for the rave
But I do need a longer string for my kite
Cause everybody knows I'm high all day
I'm high on life cause music's what I breathe
Party, party, party everyday all week
P. L.U.R. is what I stand for
Cause out on the floor no one can judge me

Don't judge me
Just love me
I'm not a criminal
I'm innocent
So come and set me free
I choose ecstasy
And music's my religion
Magic is my kingdom
And the dance floor is my heaven

I get P. L.U.R .
Woohoo!
I get P. L.U.R .
Woohoo!
I get P. L.U.R .

Peace, love, unity, respect
These are all the things
That I will never forget

Music
My drug
There's love
in the club

I don't have to fight for my right
Cause everybody knows I live for the rave
But I do need a longer string for my kite
Cause everybody knows I'm high all day
I'm high on life cause music's what I breathe
Party, party, party everyday all week
P. L.U.R. is what I stand for
Cause out on the floor no one can judge me

Don't judge me
Just love me
I'm not a criminal
I'm innocent

So come and set me free
I choose ecstasy
And music's my religion
Magic is my kingdom
And the dance floor is my heaven

I get P. L.U.R .
Woohoo!
I get P. L.U.R .
Woohoo!
I get P. L.U.R .

Peace, love, unity, respect
These are all the things
That I will never forget
