Take your pants off!

Welp, we just wanna see you naked.

Blah, blah, blah with all your bullshit!
XXX, crossing out the hitlist
Hunter Moore on speedial...
you'll be famous for awhile
BAMF mode has been activated
Why did our love grow complicated?
Cheated on me and broke my heart
Gonna show the world your private parts!
A bright idea popped in my head
Figured out a way to get even instead
Found a website called I-A-U
And guess what honey?
I'm gonna post your n00dz
Revenge is best served cold and sweet
So face that music and accept defeat
Payback when I clicked submit
Game over on all these tricks!

Wo-o-o-oh oh-o-o-oh oh-o-o-oh
You Better think fuckin' twice!

Wo-o-o-oh oh-o-o-oh oh-o-o-oh
or I'll ruin your life!

Is anyone up?
Is anyone down?
To get revenge on this fucking town
Is anyone up?
Is anyone down?
We'll upload your shit
And we'll take you down
You always said you would die to be famous
But you never thought it would
be because of your anus
You fucked up when you fucked around
Now another E slut
Making mom and dad proud

Paging Dr. Faggot! :D

Photoshoppin' my revenge
God knows where that ass has been
every guy who's texted you...
had a little piece or two
That shit's no longer my concern
Mess with me and feel the burn
NB to the HNC!
Write it on your ass and send it to me!
Straight to the gutter from where you came
That sloppy slut pussy got you fame
Call it that but you got it all wrong
Your face is famous for suckin' my dong
See you crying.
What's the problem?
Post your n00dz .
Girl I straight robbed 'em
Your facebook, screen cap, reaction pic..
FAP! FAP! FAP!

Is anyone up?
Is anyone down?
To get revenge on this fucking town
Is anyone up?
Is anyone down?
We'll upload your shit
And we'll take you down
You always said you would die to be famous
But you never thought it would
be because of your anus
You fucked up when you fucked around
Now another E slut
Making mom and dad proud

Your moma is gonna love what you've become
Diamond plated princess with a mouth full of cum
Wrapped head in lace
& a head full of dumb
This is the start, not a war
bitch, I already won!
Hey motherfucker, tell me who's laughing now?
All these bitch boy motherfuckin' faggots with their
asses out
Don't try to justify, this isn't revenge
This is what you had coming to you in the end

You always said you wanted to be famous
And now, you're the entertainment
You always said you wanted to be famous
And now, you're the entertainment

You always said you wanted to be famous
And now, you're the entertainment
You always said you wanted to be famous
And now, paybacks a bitch!

Don't blame me or say I ruined your life
An invasion of privacy...
Yeah fucking right
So keep sucking dick and telling your lies
But if you send n00dz
you better think fuckin' twice!

Wo-o-o-oh oh-o-o-oh oh-o-o-oh
You Better think fuckin' twice!

Wo-o-o-oh oh-o-o-oh oh-o-o-oh
or I'll ruin your life!

Wo-o-o-oh oh-o-o-oh oh-o-o-oh
