If I get your kiss
I'm another to the list
Let's take this slow
Don't wanna be a hoe

I'm probably gonna lick
Feel you up until you drip
Cuz you make me nervous
I don't wanna make a slip

Do you like my sexy hair?!
I'm not wearing any underwear!

S my D
Pop it out like lipstick
Razor sharp eyelashes
Now my fashion just thrashes
In death star black!

S my D
Pop it out like lipstick
Razor sharp eyelashes
Now my fashion just thrashes
In death star black!

Suck my Dick!
Pop it out like lipstick
Razor sharp eyelashes
Now my fashion just thrashes
In death star black!

Suck my Dick!
Pop it out like lipstick
Razor sharp eyelashes
Now my fashion just thrashes
In death star black!

Take me out
Take me out
Take the bottles
Pop em out
My heart is racing

Feet are pacing
This fucking place is dissipatin
You know its true
Me and you
Gimme Gimme more
On the dance floor

Stop drop make it roll
Turn around
What the hell?
Go real fast!
Break it down
Didn't I tell you touch the ground?

Want it slick?
Want it short?
Bitch I know you want some more
Dance with me and you will see
What a different place this world can be

Do you like my sexy hair?!
I'm seriously not wearing any underwear! (WHAT!?!)
