You're so submissive,
I'll get you in position.
I'm on a mission,
Hot sex in the kitchen.
Now that's just bitchin',
I know cute lookin'.
Start your invasion,
Ultra sex sensation.
Deepthroat me girl, and rule my world.
Be my Scene Queen, and live the American Dream.
There's blood on the dance floor,
It's 1984,
We're rocking kangaroos,
And sippin' on Mountain Dew.

It's just the way we fuck,
It's the way we cut.
(Sex and Violence)
Ultraviolet.
Doctor, Doctor,
Be my lover,
Take this knife and end my life.
(X2)

Fuck me!
Rape me!
Take Me!
Blow me!
(X4)

So fuck the pain away,
Make it all okay.
This life is plastic,
I hide in sunglasses.
I'll wear my mac,
And give you a heart attack.
I'll slice you, I'll dice you,
Serve you up in dry food.
You fucking carbon copy,
Your style is so sloppy.
So take it with ease,
You'll never be me.

My style is wild,
Forever and ever.
I'll leave you severed,
Begging for my pleasure.

It's just the way we fuck,
It's the way we cut.
(Sex and Violence)
Ultraviolet.
Oh doctor, doctor,
Be my lover,
Take this knife and end my life.
(X4)
