Less than three is just a tease
Send those nudes, make me drool
Hit me up - make me cum
Wanna sext? I'll show you some

Sticky drama all the way
Want my dick? You gotta pay!
You've seen what my thumbs can do
Time to use my tongue on you

Show me what you got on my LCD
Let's get down to it
So you can get down on me
Cybering is so 1999
You've got to be textually active
If you wanna be mine

'Cause ...

I wanna fuck you hard
I wanna feel you deep
I wanna rock your body
I wanna taste your sweet

I wanna fuck you hard
I wanna feel you deep
I wanna aah ahh
I wanna aah ahh

Love me or hate me but you want to fuck me
My love is unrestricted
You know you wanna lick this
I'm stronger than the strongest drug you've ever had
Mix 'em all together and I would still be twice as bad

I know you want some more!

When I text it's seckz! sex! sex!
You start to undress! Dress!
Poppin' out your chest,
At your friends' request.
Now I'm rocking on your top
And you know I just can't stop stop
Make you drop
Feel you up till I hit the spot
'Cause I can't take TAKE TAKE
ALL THIS WAIT! WAIT!
I'm so impatient
You got me waitin
Cut this shit!
Show your tits!
Flip it out on my sidekick
Like quagmire on family guy
Giggity!!! Giggity!!! All the time

I wanna fuck you hard
I wanna feel you deep
I wanna rock your body
I wanna taste your sweet

I wanna fuck you hard
I wanna feel you deep
I wanna aah ahh
I wanna aah ahh

Love me or hate me but you want to fuck me
My love is unrestricted
You know you wanna lick this
I'm stronger than the strongest drug you've ever had
Mix 'em all together and I would still be twice as bad

There I go!
Sexting all my mother fucking favorite hoes
Stereo blast it up! Go ape shit and tear it up
We can make you look like hobos
She's texting if she should swallow
Hellz ya! Go for more
Parents banging down the door

Oh no - caught with my pants down
Now I gotta leave this town
I ain't never looking back
I'm gonna tell your ass straight up
This is how we live it up
I just don't give a fuck
And if I ever gave a fuck
I would be straight out of luck

I wanna fuck you hard
I wanna feel you deep
I wanna rock your body
I wanna taste your sweet

I wanna fuck you hard
I wanna feel you deep
I wanna aah ahh
I wanna aah ahh

I wanna fuck you hard
I wanna feel you deep
I wanna rock your body
I wanna taste your sweet

I wanna fuck you hard
I wanna feel you deep
I wanna fucking rock your body

I wanna fuck you hard
I wanna feel you deep
I wanna rock your body
I wanna taste your sweet

I wanna fuck you hard
I wanna feel you deep
I wanna aah ahh
I wanna aah ahh

Love me or hate me but you want to fuck me
My love is unrestricted
You know you wanna lick this
I'm stronger than the strongest drug you've ever had
Mix 'em all together and I would still be twice as bad

I know you want some more!
