I know you leave me bleeding
I know you laid me down to die
I know you want me dead
I know you, and you win this time

Come back, come back to me
Save me from my misery
Light the fire that burns in me
Come back, come back to me

There's nothing for me, I won't ever die
You fly over me and watch me cry
I could use an enemy like you, I don't want you by my
side
Now you bow before me and I watch you die

Come back, come back to me
Save me from my misery
Light the fire that burns in me
Come back, come back to me

COME!
COMEBACK TO ME!
COME!
COMEBACK TO ME!
COME!
COMEBACK TO ME!
COME!
COMEBACK TO ME!

COME!
COMEBACK TO ME!
COME!
COMEBACK TO ME!
COME!
COMEBACK TO ME!
COME!
COMEBACK!

Come back, come back to me
Save me from my misery

Light the fire that burns inside of me

Casted out and seeped into the fire

And the phoenix and rise and ignite all of my desires
