Iâ€™m walking down a lonely road,  
One that Iâ€™ve never known,  
I hope it leads me home.

Sometimes I feel so far away,  
Canâ€™t find the words to say,  
Iâ€™m exiled on my own.

Give me something to believe.

Iâ€™m worlds away,  
Iâ€™m worlds away,  
Iâ€™m worlds away,  
Tryinâ€™ to find my way home.

I look to the sky right over me,  
Hoping you see the stars I see,  
It makes me feel less alone.

Thereâ€™s never one place that I can stay,  
Sorry my worldâ€™s so far away,  
One day I promise Iâ€™ll be home.

Give me something to believe.

Iâ€™m worlds away,  
Iâ€™m worlds away,  
Iâ€™m worlds away,  
Tryinâ€™ to find my way home.

I need someone to take my hand,  
I need someone to understand,  
Iâ€™m standing on the edge,  
And Iâ€™m looking down.

Iâ€™m worlds away,  
Iâ€™m worlds away,  
Iâ€™m worlds away,  
Tryinâ€™ to find my way home.

Tryinâ€™ to find my way home,

Tryin' to find my way home,  
Tryin' to find my way back home.
