What's it gonna be 'cuz I can't pretend
Don't you want to be more than friends
Only time and don't let go
Don't let go
You have the right to lose control
Don't let go

I often told myself that we could be more than just
friends
I know you think that we move to soon it would all end
I live in misery when you're not around
And I won't be satisfied till we're taken both vows

There'll be some love maken, heart broken, soul
shaken love
Love maken, heart broken, soul shaken.....

What's it gonna be 'cuz I can't pretend
Don't you want to be more than friends
Hold me tight and don't let go
Don't let go
You have the right to lose control
Don't let go

I often fancised the stars above are watchen
They know my heart to speak to you as like only lovers
do
If I could wear your clothes I'd pretend I was you and I
lose control

There'll be some love maken, heart broken, soul
shaken love
Love maken, heart broken, soul shaken.....

What's it gonna be 'cuz I can't pretend
Don't you want to be more than friends
Hold me tight and don't let go
Don't let go
You have the right to lose control
Don't let go

Runnin' in and out my life
Has got me so confused
You gotta make the sacrifice
Somebody's gotta chose
We can make it if we try
For the sake of you and I
Together we can make it right

(Can't keep a running in and outta my life)
(outta my life, outta my liiiife yeah, ohhh, ohhh, yeah)
(You've got the right, you've got the right,)
(I said you've got the right to lose control)

What's it gonna be 'cuz I can't pretend
Don't you want to be more than friends
Hold me tight and don't let go
Don't let go
You have the right to lose control
Don't let go

Don't let go
Don't let go

What's it gonna be 'cuz I can't pretend
Don't you want to be more than friends
Hold me tight and don't let go
Don't let go
You have the right to lose control
Don't let go

What's it gonna be (don't let go)
Don't you want to be (don't let go)
Only time and don't let go (don't let go)
