(do do do do do do do do, do do do do do do do do do do, do
do do do do do do do do)

(do do do do do do do do, do do do do do do do do do do, do
do do do do do do do do)

i'm complaining, you're complaining, we all are
complaining
that the world needs to be a better place
people slaying, babies paying a debt that they don't
owe
and we just shake our heads and wonder why

well, the so-called people that are tearing this world
apart
they weren't just born that way
it takes some hard work and determination to learn
how to hate
and the first ones that it's taught to
is to the eyes of a child
(na na na na na) is to the eyes of a child (na na na na)
come on, now hit me

(do do do do do do do do, do do do do do do do do do do, do
do do do do do do do do) oh,
can i feel so low, yeah? (do do do do do do do do, do do
do do do do do do do) hoo,
yeah

i point the finger, you point the finger, we all point the
finger
that the cure is clearly out of our hands
the truth about it, and don't you doubt it
responsibility lies on you and me for woman, child and
man

well, the lives we lead are the determining factors
aboard this planet earth because yeah, yeah
it's gonna take some hard work and determination to
demonstrate true love

and the first ones that we gotta show it to
is to the eyes of a child

(na na na na na) is to the eyes of a child (na na na na)
yeah yeah

(do do do do do do do do) you and me (do do do do do do do
do do) do we agree? (do do
do do do do do do) let's fill the world up with our love
yeah yeah yeah (do do
do do do do do do) change the hurt (do do do do do do do
do do) clean the dirt (do do
do do do do do do)

well, it may seem like i'm preaching, but i'm only
teaching
from experience, that's something i came by
so you'd better take a listen 'cause our love is missin'
but if we work together, we can work it out, work it out

yeah yeah yeah (do do do do do do do do) yeah yeah, (do
do do do do do do do do)
ooooooh, (do do do do do do do do) hey hey he-ey (do
do do do do do do do) yeah (do
do do do do do do do, do do do do do do do do do)
'cause love is missin' (do do do
do do do do) and we gotta work it out (do do do do do do
do do do) you and me, me
and you, we as one, yeah, yeah (do do do do do do do do do)
do-do (do do do do do do do
do do) do do do do do do do do (do do do do do do do do do do)
hoo, hoo, hoo hoo hoo
(fade out)
