I believe in yesterday
I believe in yesterday

What's the problem?
You keep comin' in and keep comin' out and singin' flat
I'm sorry, I'm sorry
What's wrong? What's wrong?
You're not concentrating
Yes, I am concentrating
No, you're not
I'm sorry, let's just do it again
No no no no no, what's the problem
There's no problem

Dawn, what's wrong?
There's nothing wrong, Terry
Kevin, please don't tell me it's Kevin
Ewe, Kevin Swahili, I knew it, he's got cooties
And he's seeing Tamika right now
And everybody else
He is not seeing Raneka
He is
How you know?

Wait a minute guys
Wait, wait, wait, you guys
We should not attack her, it sounds like it's serious
Because we can't concentrate and get this right
So, let's deal with he problem
You see, I've been through this myself, and, let's talk
And it goes a little something like this, hit it

Baby girl, unfair but true can love him once but not
twice
Who plays games with no rules, a fool
Tears for fears are no surprise happens almost every
time
Love knocks you on your behind
Loved you hard, loved you long, now his love is gone
Love 'em and leave 'em is the rule of most dogs

You must be strong, stand up on your own

Take control of your life
I've seen it time and time again it's not worth it, no
Don't be down and miserable
You and only you can bring yourself around

Give it up
Give it up, turn it loose
Oh, if it don't wantcha
You don't need 'em, girl, yeah
Give it up, turn it loose
Oh, you got to have

Fact of life so sad but true love can often hurt you
Leaving scars most of your life nightmares can haunt
you
But fairy tales of love, can come true
Both play tricks on your mind
You'll be fine, take this time, to find piece in mind
Sooner or later bad feelings will die

You must be strong don't blame it all on love
In time good things will come
I've seen it time and time again, it's not worth it, no no
Don't be down and miserable
You and only you can bring yourself around

Give it up
Give it up, turn it loose
Oh, if it don't wantcha
You don't need 'em, girl, yeah
Give it up, turn it loose
Oh, yeah, yeah

Give it up, give it up
Come on

Give up, give it up
Give up, give it up
Give it up turn it loose
Turnin' it loose, baby

Give up, give it up
Give up, give it up
Give it up turn it loose
Turnin' it loose, baby

Give up, give up
Give it up turn it loose
And turn it loose

Give up, give up

Give it up turn it loose
Give up, give up
Give it up
