Many say that I'm too young
To let you know just where I'm coming from, yeah
But you will see, it's just a matter of time
My love will surely make you mine

Well, I'm livin' in a world of ghetto life
Everyone seems so uptight
But nothin's wrong and it's alright with my man

I like the way we carry on
His love will send me on and on, with my man
People out there can understand

I'm giving him something he can feel
To let him know this love is real
Giving him something he can feel
To let him know this love is real
This love is real

So much joy for us, it seems
So much hope for material things
Are they only in my dreams?

And that's exactly why I'm singing this song to you
To let you know that real dreams do come true
You tell me what does it mean

Livin' in a world of ghetto life
Everyone is so uptight
Nothin's wrong, it's alright, my man

Baby, I like the way we carry on
His love will send me on and on, with my man
People out there can understand that

I'm giving him something he can feel
To let him know this love is real
Giving him something he can feel
To let him know this love is real
This love is real

Giving him something he can feel

Giving him something he can feel
Giving him something he can feel
Giving him something he can feel
Giving him something he can feel
