Hip hop, do it till you drop  
Don't stop, don't you ever stop

This is it and you know, I'm comin' free style  
To the club to see En Vogue, I'll run a country mile  
Dope hat, combat boots I'm comin', cutie pies  
Yo I know En Vogue will love me 'cause I'm too fly

I'll do my jerkin' dance make 'em stare yo give a laugh  
Ask to dance, they look me over and say, "Oh no I'll  
pass"  
That's okay, I'll just dance and do my own thang  
But when the night is over, they'll remember Wayne  
Wayne

Hip hop lover  
(Hip hop, do it till you drop)  
You're too young for me  
(Don't stop, don't you ever stop)  
Hip hop lover  
(Hip hop, do it till you drop)  
You can't dance with me  
(Don't stop, don't you ever stop)

Me and my girlfriends broke down to the club  
The minute we stepped in, we were being asked to the  
dance floor  
Before I got his name, he was hittin' on me strong  
But I knew from the conversation, he was a bit too  
young

Hip hop lover  
(Hip hop, do it till you drop)  
You're too young for me  
(Don't stop, don't you ever stop)  
Hip hop lover  
(Hip hop, do it till you drop)  
You can't dance with me  
(Don't stop, don't you ever stop)

Brown leather combat, sales tag on his hat  
He wore his clothes all inside out

He had a funky step and I thought he was so cute  
But as far as me hooking up with him he had to come  
harder than that

Hip hop lover  
(Hip hop, do it till you drop)  
You're too young for me  
(Don't stop, don't you ever stop)  
Hip hop lover  
(Hip hop, do it till you drop)  
You can't dance with me  
(Don't stop, don't you ever stop)

When the set was over, we headed out to the car  
He politely asked to walk me out, he's playing good so  
far  
The minute I blinked my eyes, he snuck in a little kiss  
So I swung out quick to smack him one but I'm glad I  
missed

Hip hop lover  
(Hip hop, do it till you drop)  
You're too young for me  
(Don't stop, don't you ever stop)  
Hip hop lover  
(Hip hop, do it till you drop)  
You can't dance with me  
(Don't stop, don't you ever stop)

The beat may drop but not like all the others

Hip hop do it till you drop  
Don't stop, don't you ever stop  
Hip hop do it till you drop  
Don't stop don't you ever stop

Hip hop lover  
(Hip hop, do it till you drop)  
You're too young for me  
(Don't stop, don't you ever stop)  
Hip hop lover  
(Hip hop, do it till you drop)  
You can't dance with me  
(Don't stop, don't you ever stop)
