Your tender smile gives me happy thoughts of you
Got me so close to my dreams now they have to come true

Ooo baby, nothing to be shy about
Nothing we have to lie about
Hope lovin' you don't confuse you
Ooo baby baby, I don't want to lose ya

And when we touch our hearts move at a steady pace
I'm tryin' hard not to show the blushin' over my face
Ooo yeah yeah, you bring out the woman in me
What can I see that you can't see?
I like the way we carry on
Hope you understand my feelings got me just a reeling

Chorus:

What can I do...with this feeling?
(Mmm Mmm)
Hooked on your love, sweet love love
(What can I do with this sweet sweet feeling baby)
What can I do...with this feeling?
(Oh Yeah)
Hooked on your love, sweet love love
(Oh with this feeling yeah yeah, Ooo)

Your eyes within me
They send me just a starin' me down
I'm so turned on in time, and child, I got to move around
Ooo yes I do
Over and over you astound me
I take pleasure to have you around me
My lovin' arms would love to squeeze ya
Oo Oo Oo baby take it, I don't want to tease you

What can I do...with this feeling?
(Ooo)
Hooked on your love sweet love love
(What can I do...oh yeah)
What can I do...with this feeling?
(A with this feeling yeah yeah)
Hooked on your love sweet love love

(Ooo)

Nothing to be shy about
Nothing we have to lie about
Hope lovin' you don't confuse you
Hope you understand these feelings got me just a
reeling

What can I do...with this feeling?
(Yeah)
Hooked on your love sweet love love
(A with this feeling sweet feeling baby)
What can I do...with this feeling?
(Oh what can I do, woo woo yeah)
Hooked on your love sweet love love
(A with this feeling baby yeah)

What can I do...with this feeling?
(What can I do, woo woo)
Hooked on your love sweet love love
(A with this feeling this feeling this sweet sweet sweet
feeling baby)
What can I do...with this feeling?
(Mmm)
Hooked on your love sweet love love
(Somebody somebody somebody tell me now now
yeah)

What can I do...with this feeling?
(What can I do?)
Hooked on your love sweet love love
(This feeling baby, Ooo Ooo yeah)
What can I do...with this feeling?
(Ooo)
