Me and my friends, we went out last night  
To a small simple club on the nights  
It didn't have much room, but hell they never do  
Just chairs, a few tables and some food

A small cramped band started playing  
And all the room was swaying  
Soon I found myself dancing with a tall dark man  
I was in a trance, a sort of romance  
Between the rhythm and my soul, oh

Oh, I wake up in the morning  
And it's all me, I can hear the calling  
And it's haunting each and everything  
I didn't know my Latin love was oh, so strong

Even in the middle of romancing  
Really love the rhythm when I'm dancing  
Can't deny the spirit when you feel the Latin soul

After that night, my life had changed  
I had no control and now I would behave  
Every chance I got, I was at the club  
Wining and dining like there was no tomorrow

Oh, oh, so free  
Oh, oh, so me, yea, yea  
Oh, oh, so lifting  
And I don't want it to stop, no

Oh, I wake up in the morning  
And it's all me, I can hear the calling  
And it's haunting each and everything  
I didn't know my Latin love was oh, so strong

Even in the middle of romancing  
Really love the rhythm when I'm dancing  
Can't deny the spirit when you feel the Latin soul

Oh, I wake up in the morning  
And it's all me, I can hear the calling  
And it's haunting each and everything

I didn't know my Latin love was oh, so strong

Even in the middle of romancing  
Really love the rhythm when I'm dancing  
Can't deny the spirit when you feel the Latin soul

If your life can't seem to get going  
Hopelessness is showing  
To your soul and to Latin  
Get into the sounds of the rhythms beating out  
'Cuz when your dancing, your spirit will be free, yea

Oh, oh, so free yea  
Oh, oh, so me, yea, yea  
Oh, oh, so uplifting, yea  
And I don't want it to stop, no

Oh, I wake up in the morning  
And it's all me, I can hear the calling  
And it's haunting each and everything  
I didn't know my Latin love was oh, so strong

Even in the middle of romancing  
Really love the rhythm when I'm dancing  
Can't deny the spirit when you feel the Latin soul

Oh, I wake up in the morning  
And it's all me, I can hear the calling  
And it's haunting each and everything  
I didn't know my Latin love was oh, so strong

Even in the middle of romancing  
Really love the rhythm when I'm dancing  
Can't deny the spirit when you feel the Latin soul

Oh, I wake up in the morning  
And it's all me, I can hear the calling  
And it's haunting each and everything  
I didn't know my Latin love was oh, so strong

Even in the middle of romancing  
Really love the rhythm when I'm dancing  
Can't deny the spirit when you feel the Latin soul
