Chorus:

Love don't love you, love don't care

Love don't love you, love don't care

Verse 1:

You said you'd always be there

You said you'd always care

You always comfort me

You used to share things with me

You used to have time for me

Now it all seemed to end

I can't control my fears

Neither hold back tears

Knowing that something's wrong, yeah

The more that I fight with you

The more I realize

It takes more than love

To satisfy my life

Chorus:

Love don't love you, love don't care (it's got to be you,  
baby)

Love don't love you, love don't care (not love, baby)

Verse 2:

I thought I never would see

The day that you and me

Could not communicate

It came to my surprise

The only reason why

We misused the four-letter words

I should have known the signs

Instead I was blind

Ignoring what people would say

When will I ever learn

Can't blame it all on one word

Some words can seem more brutal than kind

Chorus:

Love don't love you, love don't care (love don't love  
you)

Love don't love you, love don't care (got to be you)

Love don't love you (love don't care about you, no way,  
no way, no way)

Love don't care

No way

Bridge:

You see it takes a fool to learn  
That love don't love nobody (got to be you)  
But I've learned  
That love don't love me  
And it sure can't love you (can only be you, oh)  
So what are you gonna do  
Don't just say you love me (baby)  
You got to show me (show me that you care)  
So where do we go from here  
You tell me  
You got to show me that you love me  
show me that you care  
I need to know that you will always be there  
I'm gonna be there for you  
Love don't love no one  
And it sure don't care  
Love don't love nobody  
You should take my advice  
Show me that you love me  
Show me that you care, baby  
Chorus:  
Love don't love you, love don't care  
Love don't love you, love don't care  
(repeat chorus)
