Here I go again
I guess, I can't pretend
I'm a sucker for pure love, my friend
I find myself always thinking
About that first romantic weekend
It's like there's nothing else to do
But sit and fantasize of you

Love, love, love
Love makes ya do thangs
Do thangs, doo thangs
Love, love, love
Makes ya do thangs
Do thangs, doo thangs

You can't fight it, anyway
It grabs you by the heart
And makes you walk away, yeah
So far, ya gave me love
What more could I be asking for?
I'll make him mad
He leaves
'Cause I won't go all the way
From me

Love, love, love
Love makes you
Makes you do thangs
Do thangs
Do thangs do thangs
Do thangs, do da do da do do thangs
Love, love, love
Love makes you do thangs
Makes you do thangs
Do thangs
Do thangs, do thangs
Do thangs, do thangs

Letters all the time
Why can't I simply say what's on my mind?
I got to make it harder, thangs with poetic sayings
Why it's so hard to see the signs of love in front of me?

Maybe I don't believe there could ever be a love for me

Find yourself a bit confused
Wonder why you're doin' things you don't normally do
in life
I got news for you, it's the same for everyone
Once you're in, you can't win, so you might as well have
fun

Love, love, love
Love love ooh
Makes you do thangs
Do thangs
Do thangs, do thangs
Do thangs, do da do da do do thangs
Love, love, love
Love, yeah, love makes you do thangs
Makes you do thangs
Do thangs
Do thangs, do thangs
Do thangs

If you choose not listen to me
Don't you say I didn't warn you, one day love comes
back to haunt you
Don't be fooled, baby, it's the same for everyone
Once you're in, you can't win, so you might as well have
fun, hoo

Love, love, love
Love
Makes you do thangs
Do thangs, do thangs
Do thangs
Love, love, love
Love, yeah
Makes you do thangs
Do thangs
Do thangs, do thangs
Do thangs, do da do da do do thangs

Ba da da da da ba da ba
Ho
Ba da da da da ba da ba
Do do do do
Ba da da da da ba da ba
Do do do do do do do thangs
Ba da da da da ba da ba
Do do do do do do do thangs, yeah
Ba da da da da ba da ba
Do do do do do do do thangs, yeah

Ba da da da da ba da ba
Do do do do do do do thangs, yeah
