Mmm
Yeah, yeah, hey, yeah

Ba dee ah ba ba by ah (Woo, hoo...)
Ba dee ah ba ba by ah

Remember the story from way back when
It was a day I remember back in the beginning, hoo,
Yeah, yeah
Remember kissing after dark, walks through the park
Show or at the mall, or watch you play big ball, mmm

Easy lover lovin' you, I do
Like to spend time with you
Spend every summer day with you
I think back and I wanna tell you how
You make me happy, make me smile
Feel so right about how lovin' you

Easy like Sunday morning (So easy)
Nothin' like bein' with you (You, you, you, you, yeah)
Easy like Sunday morning (Sunday morning)
Groovin' like summertime (Summertime, yeah, sing)

Ba dee ah ba ba by ah (Ba dee ah ba ba)
Ba dee ah ba ba by ah (Yeah, yeah, sing)
Ba dee ah ba ba by ah (Ooh, ooh, ooh)

Somethin' about what we're sharin'
So sweet, so rare, somethin' so dear, mmm
Said I feel I know you and I love who you are
Where you're goin', when you're comin', what you're
Doin'
It don't matter at all, oh, no

Easy lover lovin' you, I do
Each mornin' wakin' next to you
Wake each and every day with you
I think back and I wanna tell you how
You make me happy, make me smile
Feel so right about how lovin' you, you, you, you,
You, you, yeah

Easy like Sunday morning (Sunday mornin')
Nothin' like bein' with you (You make it so easy)
Easy like Sunday morning (Woo...woo...woo...)
Groovin' like summertime (Summertime, yeah, sing)

Ba dee ah ba ba by ah (Ooh, ooh, sing)
Ba dee ah ba ba by ah (Easy, yeah, yeah)
Ba dee ah ba ba by ah (Mmm, mmm, yeah)

I'm caught up in the sky, makes me wanna fly
Far away just like summertime
Makes my temperature rise like Sunday morning
Lookin' in your eyes, got me mesmerized
Gon' float away
That's just why I feel so right about lovin' you

Easy like Sunday morning (You make it so easy)
Nothin' like bein' with you (Nothin' like being with
You)
Easy like Sunday morning (Easy)
Groovin' like summertime

Groovin' like summertime
Do it like summertime
Lovin' like summertime
Leavin' in the summertime

Ba dee ah ba ba by ah
Ba dee ah ba ba by ah (Ba dee ah da da da da da da
da
Da da)
Ba dee ah ba ba by ah (Ba dee ah dee ah dee ah da da
Da da da)
Ba dee ah ba ba by ah (Ooh, babe)
Ba dee ah ba ba by ah
