

## En Vogue "Oh Holy Night"

O holy night! The stars are  
brightly shining  
It is the night of our dear  
Savior's birth

Long lay the world in sin  
and error pining  
Till he appeared and the  
Soul felt it's worth

A thrill of hope the weary  
world and rejoices, for  
yonder breaks a new and  
glorious morn.

Fall on your knees

Oh, hear the angles voices!  
O night, when Christ was born  
O night divine!

O night, o night divine

Truly he taught us to love one another,  
His law is love and His gospel is peace.  
Chains He shall break, for the slave is  
our brother.

And in His name all oppression shall cease.  
To be continued.....
