My love, we vowed to be together
Through the good times and stormy weather
But if it falls around us
It shouldn't lose you in sudden darkness
You should always know I'll be

Sittin' by Heaven's door
Waitin' for you to come home
I'm waitin' on you to come back home, my baby
Sittin' by Heaven's door
Waitin' for you to come home
I'll be waitin', no hesitatin'

All I know is from this day on
We bond as one forever more
No way, no way, we can lose
And any mountain we can move
With a team who beat the game called love
And you know the time will come
When life will end somehow
And one of us is left without the other

If it happens to be me
Don't worry much, darling
I'll leave a passage to my heart and this is where I'll be

With the key in my hand

Sittin' by Heaven's door
Waitin' for you to come home
Waitin' for you, baby
Sittin' by Heaven's door
Waitin' for you to come home
Waitin', baby, for you

Sittin' by Heaven's door
Waitin' for you to come home
Sittin' by Heaven's door
Waitin' for you to come home

Sittin' by Heaven's door
I'm waitin', anticipatin'

Waitin' for you to come home
Sittin' by Heaven's door
Come on home to me
Waitin' for you to come home

Sittin' by Heaven's door
Waitin' for you to come home
Sittin' by Heaven's door
Waitin' for you to come home
Sittin' by Heaven's door
