Tick, tock, tick  
Tick, tock, tick

On and on, time goes on  
Never stops, just goes on  
On and on, time goes on  
Never stops, just goes on

It seems forever, since time began  
So full of mysteries we don't understand  
Searchin' for answers and remedies  
As problems plague us like an enemy

Round and round in circles we go  
(On and on)  
Will we ever stop, nobody knows  
(Time goes on, never stops, just goes on)  
Running with the hands of time  
(On and on)  
Always reaching, still we seem to find  
(Time goes on, never stops)  
Time just marches on  
(Just goes on)

So many blinded by life today  
When will we realize love's the only way  
It's time you wake up 'cause times have changed  
Time waits for no one, it's a crucial game

Round and round in circles we go  
(On and on)  
Will we ever stop, nobody knows  
(Time goes on, never stops, just goes on)  
Running with the hands of time  
(On and on)  
Always reaching, still we seem to find  
(Time goes on, never stops)  
Time just marches on  
(Just goes on)

Take care of business, don't procrastinate  
We must decide on what becomes our fate

Nation to nation, love is the key  
Let's take the time, we need more unity

Round and round in circles we go  
(On and on)  
Will we ever stop, nobody knows  
(Time goes on, never stops, just goes on)  
Running with the hands of time  
(On and on)  
Always reaching, still we seem to find  
(Time goes on, never stops)  
Time just marches on  
(Just goes on)

On and on, time goes on  
Never stops, just goes on  
On and on, time goes on  
Never stops, just goes on

(Get walkin' with)  
Round and round  
Round and round

On and on, time goes on  
Never stops, just goes on  
On and on, time goes on  
Never stops, just goes on  
Time goes on

Tick, tock, tick, tock  
Tick, tock, tick, tock

Round and round, round and round  
(Get walkin' with)  
Round and round in circles we go  
(Get walkin' with)  
Round and round  
(Get walkin' with)  
Round and round in circles we go

Round and round, round and round  
(On and on, time goes on)  
Round and round in circles we go  
(Never stops, just goes on)  
Round and round, round and round  
(On and on, time goes on)  
Round and round in circles we go  
(Never stops, just goes on)

Round and round, round and round  
(Time goes on)

Round and round in circles we go  
(Just goes on)  
Round and round, round and round  
(Time goes on)  
Round and round in circles we go  
(Never stops, just goes on)

Round and round, round and round  
(On and on)  
Round and round in circles we go  
Round and round, round and round  
(On and on)  
Round and round in circles we go
