Oh yeah
Oh yeah
Oh yeah

Did I hear you say that
You want another chance
You need another try
You're ready to reclaim your prize

So you want my love back
Why did you let it slip away
Why did you ever let me go
Your change of heart has come too late

Well the door is locked
You can't get in
The game has changed
You've been

Too gone, too long baby
To ever get back again in my heart
Too gone, too long baby
You're too many tears too late
To ever come back to get back in my arms
Been gone too gone, too long

Didn't you hear me say that
You'd be a fool to leave
You'd regret the road you chose
You'd come running right back to me

You had such a good love, sugar
You never found in no one else
But what I knew all the time
You had to find out for yourself

But now you'll never know
That love again
You're on your own

You've been too gone, too long baby
To ever get back again in my heart

Too gone, too long baby
You're too many tears too late
To ever come back to get back in my arms
Been gone too gone, too long

Did you really think I'd take you back
And let you back in my life, oh baby just like that
Someone new is loving me loving you is what used to
be
Baby you're too late to win my heart again

Too gone, too long baby
To ever get back again in my heart
Too gone, too long baby
You're too many tears too late
To ever get back to get back in my arms
