What a difference a day makes  
What a difference

Six a clock in the mornin'  
Oh, a new day's born  
Can't wait to get my day started  
I think I'll run a few laps  
An' then I'll take a hot bath  
And dash to my favorite hair salon

What a difference a day makes  
What a difference  
What a difference a day makes  
What a difference

Now with a fresh do  
I did the nails and the feet too  
It's time to go on shoppin' spree  
Spoil myself with something lovely  
Oh, I can't forget  
I got a date uptown, 'bout six  
I'm lookin' great and I'm feelin' fine  
It's good to be off work some time

What a difference a day makes  
What a difference  
What a difference a day makes  
What a difference

Back at home again  
Right where I first left off  
I'm glad I had some fun today  
'Cause I sure was stressin' out  
Feelin' as high as ever  
Lookin' better  
All I needed was one day  
When you just can't take it  
Make time to shake it

What a difference a day makes  
What a difference  
What a difference a day makes

What a difference

{As we go a little step  
As we go a little step  
As we go a little step  
Like this  
As we go a little step  
As we go a little step  
As we go a little step  
Like this}

{As we go a little step  
As we go a little step  
As we go a little step  
Like this  
As we go a little step  
As we go a little step  
As we go a little step  
Like this}

What a difference a day makes  
What a difference  
What a difference a day makes  
What a difference

What a difference a day makes  
What a difference  
What a difference a day makes  
What a difference
