"You Don't Have To Worry"

No fear, no shame, you don't have to worry
About a thing
No fear, no shame, you don't have to worry
About a thing

No fear, no shame, you don't have to worry
About a thing
No fear, no shame, you don't have to worry
About a thing

Makes no difference, near or far, baby
It's you I love no matter where you are
My dedication will never die
I'm always faithful till you break my heart

You don't have to keep searching for dishonesty
It's always safer, to let your love flow
I can guarantee there's no need for doubting me
There is no other that's worth the trouble

No fear, no shame, you don't have to worry
About a thing
No fear, no shame, you don't have to worry
About a thing

There's no reasoning for your dismay
Our love's been good up to this very day
No time for wondering it ticks away
For all the time we have to share together

You can best believe, no one can just come between
Me and you and what we built together
I guess in time, we'll see where our dedication leads
And in the end, I know I'll be there for you

No fear, no shame, you don't have to worry
About a thing
No fear, no shame, you don't have to worry
About a thing

I can guarantee there's no need for doubting me
No time for wondering, you can count on me

No fear, no shame, you don't have to worry
About a thing
No fear, no shame, you don't have to worry
About a thing

Oh, baby baby
Hey, hey
Oh, baby baby
Oh, baby baby
Hey, hey
Oh, baby baby

Drop that beat drop that beat

No fear, no shame, you don't have to worry
About a thing
No fear, no shame, you don't have to worry
About a thing

No fear, no shame, you don't have to worry
About a thing
No fear, no shame, you don't have to worry
About a thing

No fear, no shame, you don't have to worry
About a thing
No fear, no shame, you don't have to worry
About a thing
