This night has music  
The sweetest music  
It echoes something within my heart  
I hold you near me  
Oh darling, hear me  
I have a message, I must impart

Yours 'til the stars lose their glory  
Yours 'til the birds fail to sing  
Yours 'til end of life's story  
This pledge to you dear, I bring  
Yours in the gray of December  
Here or on far distant shores  
I never loved anyone the way I love you  
How could I when I was born to be just yours

Yours 'til the end of life's story  
This pledge to you dear, I bring  
Yours in the gray of December  
Here or on far distant shores  
I never loved anyone the way I love you  
How could I when I was born to be just yours

I never loved anyone the way I love you  
How could I when I was born to be just yours
