Hey, neighbor come and see  
Another reason to be me  
Guess I win

The finest is all I own  
Why even my hair's hand sewn  
Guess I win

You've got a home you prize  
Mine is palatial size  
Guess I win

You drive a new Sedan  
My driver's name is Sam  
Guess I win

You know, no prize awaits you  
You're in a race that no one wins  
It's empty what you cling to  
It's like you're trying to hold the wind  
Ooh, hold the wind

Check out this mast I got  
Now all I need is the yacht  
Then I'm there

I've got what you yearn for  
Now I just need five more  
Then I'm there

No, you can't take it with you  
You'll leave with nothing in the end  
It's empty what you cling to  
It's like you're tryin' to hold the wind  
Ooh, hold the wind

And in the scope of eternity  
You're writing checks your soul can't pay  
You've hung your hope on futility  
And spent your life away

I've got the green to spare

Net worth a millionaire  
Lucky me

Just got another toy  
This one's a horse from Troy  
Lucky me

You know, no prize awaits you  
You're in a race that no one wins  
It's empty what you cling to  
It's like you're trying to hold the wind

No you can't take it with you  
You'll leave with nothing in the end  
It's empty what you cling to  
It's like you're trying to hold the wind  
Oh, hold the wind
