Ever ever after (happily)...

Storybook endings, fairy tales coming true

Deep down inside we want to believe they still do

In our secretest heart

It's our favorite part of the story

Let's just admit we all want to make it to ever ever after

If we just don't get in our own way

Ever ever after

It may only be a wish away

Start a new fashion - wear your heart on your sleeve

Sometimes you reach what's realest by making believe

Unafraid, unashamed

There is joy to be claimed in this world

You even might wind up being glad to be you

Ever ever after

Though the world will tell you it's not smart

Ever ever after

The world can be yours if you let your heart believe in
ever after

No wonder your heart feels it's flying

Your head feels it's spinning

Each happy ending's a brand new beginning

Let yourself be enchanted

You just might break through to ever ever after

Forever could even start today

Ever ever after

Maybe it's just one wish away

Your ever ever after

Ever ever ever after

(I've been dreaming of a true love's kiss)

Oh Oh Oh

Forever ever after
