(Giselle/Amy)

When you meet this someone
who is meant for you
Before two can become one
there's something you must do

(Woodland Creatures)

Do you pull eachother's tails?
Do you feed eachother seeds?

(G/A)

[Laughs] No, There is something sweeter everybody
needs.

I've been dreaming of a true love's kiss
And a prince, I'm hoping, comes with this
That's what brings ever-aftering so happy
That's the reason we need lips so much
For lips are the only things that touch
So to spend a life of endless bliss
Just find who you love through true love's kiss

Ahahahaha Ahahahaha Ahahahaha
(Woodland Creatures)

Ahahahaha Ahahahaha Ahahahaha
She's been dreaming of a true love's kiss
And a prince, she's hoping, comes with this
That's what springs ever-afterings so happy
That's the reason we need lips so much
For lips are the only things that touch

(G/A)

So to spend a life of endless bliss
Just find who you love through true love's kiss

(Edward/James)

You're the fairest maid I've ever met
You were made (G/A) to finish your duet
(Together)

And in years to come we'll reminisce
(E/J)

How we came to love
(G/A)

And grew and grew love

(Together)

Since first we knew love through True Love's Kiss!
