yeah she's so cold so cold
makes my heart freeze when she looks back at me
yeah she's so cold so cold

makes me hot as i can go oh oh oh
but she's way below zero oh oh oh oh
shivers all night running down my spine
yeah she's so cold so cold

i just ain't reading her/her temperature is way off

never felt like thick bout anyone

Chorus

shivers all night running down my spine
