I still believe in your eyes  
I just don't care what  
you've done in your life  
Baby I'll always be  
here by your side  
Don't leave me waiting  
too long, please come by

I, I still believe  
in your eyes  
There is no choice  
I belong to your life  
Because I'll live to  
love you someday  
You'll be my baby and  
we'll fly away

And I'll fly with you  
I'll fly with you  
I'll fly with you  
And I'll fly with you

I still believe in your eyes  
Don't make me wait  
please come by

Every day and every night  
I'll always dream that  
you are by my side, baby

every day and every night  
Well I said everything's  
gonna be alright

And I'll fly with you  
And I'll fly with you(that you, on my side)  
I'll fly with you  
I'll fly with you
