Lost in a labyrinth  
Of growing hatred and cold winds  
Cabaret on wasted places  
Theatre with human faces  
Consumed by my own thoughts  
Bowing to almighty gods  
A torment for the living body  
Please please please redeem me

Walls of sadness seas of tears  
Filled by rivers of human fears  
Like needles on every nerve  
I'm waiting for my rebirth

Eternal lights shall rise  
To show the way I have to go  
Sleepless nights and restless days  
All I loved a fucked up haze  
Insensible ready for exit  
To leave behind this growing shit  
A torment for the living body  
Please please please redeem me

Walls of sadness seas of tears  
Filled by rivers of human fears  
Like needles on every nerve  
I'm waiting for my rebirth
