[Music & Lyrics: MÃ–ller]

Forgotten dreams lost inside
Hide your tears from others pride
Feelings so cold habits grow old
Lost my mind in emptiness
Dispersing questions not answered at all
Hunted by reality

[Verse 1:]

Faced with ordinary life eye to eye with the truth
Boring jobs build a senseless world
Tell me what can I do?

[Bridge 1:]

Let these days pass by Don't believe a lie!
Escape from reality

[Refrain:]

Welcome to dreamers island
Leave all your sorrows leave all your troubles behind
Travel to dreamers island start a new life!
Better time will begin

[Verse 2:]

My mind's full of Gods degrees

Will it be my destination?
Preachers word a better life will lead to dependence

[Bridge 1:]

Let these days pass by Don't believe a lie!
Escape from reality

[Refrain:]

Welcome to dreamers island
Leave all your sorrows leave all your troubles behind
Travel to dreamers island start a new life!
Better time will begin

[Bridge 1:]

Let these days pass by Don't believe a lie!

Escape from reality

[Refrain:]

Welcome to dreamers island

Leave all your sorrows leave all your troubles behind

Travel to dreamers island start a new life!

Better time will begin

[repeat till end]
