Old school, old money, 50 ain't buy this  
I just bought a dome, sell me two capris  
The blue suede interior, the matching baby seats  
Pop my hood on these bitches, let me show em what

Heavy in the game, so I sprayed it cocaine white  
Boose got me loose, 180 7 boose  
See we don't blow them brains out, we just chop the

She said my chevy cute, it match her gucci boots  
So now she break me off, everytime I come through  
I can drop the back, pickup the front  
Make it lean to the left, and get right back to the money

Looking real fly [x3]  
You can hear me before you see me  
When I ride by [x3]

[Blood Raw:]
