Destruction takes it's own form,
And it's a part of you,
And I don't know what to say,
To make you stop and walk away,

Cause I am running,
But everything is catching up with me,
And I am crying,
But you don't wanna see,
Ohhh,
(You would not see)
Ohhh,
(You could not be),
Nooo (there for me),
Nooo,
(You would not see)
Ohhh,
(You could not be),
Nooo (there for me),

Bleeding from your eyes to your feet,
You mean everything to me,
Forever I can't sleep,
Without the sound of your heart beat,

Cause I am running,
But everything is catching up with me,
And I am crying,
But you don't wanna see,
Ohhh,
Whoaaa,
Nooo
Ohhh,
Whoaaa,
Nooo,

I think it's raining (I think it's raining),
I think it's raining,
I think it's raining (I think it's raining),
I think it's raining,
Rain like tears,

[Solo]

Cause I am running,
But everything is catching up with me,
(But everything is catching up with me)
And I am crying,
But you don't wanna see,
(You don't wanna see)
Ohhh,
(You would not see)
Ohhh,
(You could not be),
Nooo (there for me),
Ohhh,
(You would not see)
Ohhh,
(You could not be),
Nooo (there for me)
