There's a song in your head  
It's a mystery in there  
There's a note you carry  
Living holy, so no one knows me

I'm the ghost at your side  
It's your conscience you hide  
Lying long in the heat  
Living holy, so no one knows me

It's not too hard  
Anything goes  
Anything goes in loving war  
You should've seen what  
We were like before

Doesn't make you feel good  
Living holy, so no one knows me  
It's not too hard

Anything goes now  
Anything goes now

But it makes me cry  
I've seen the truth through your eyes  
There's a song I'll sing  
If I'm allowed  
All this fucked up shit  
You've been talking about  
Well I'm trying,  
But not too hard  
Anything goes

Come on!

It's not too hard,  
Anything goes  
Anything goes  
Anything goes now  
Anything goes  
And I said ooohhh
