Well I'll tell you just what I feel,
Well I thank god I bring the only ones alive and give it
damn straight
And that's what its taken me to
Count all my friends

And they said I did alright,
Well I thank god the only opposition got 1,2,3,4 on your
plate
Counting your friends

Well tonight its already happened once again
and I'm freakin oh my god

Well they say I do ok
Well I thank god the enemy
1,2,3,4,5 doesn't bother me
Count your friends

And they say I do alright,
Well I thank god that something or someone
went a 1,2,3,4 whoever it was
Counting my friends

Well tonight its already happened once again
and I'm freakin oh my god

Oh but she's ok coz she's still in my way
I guess I'm ok but I got nothing to say
Well we met just the, the other day
Yes well I'll come home,
I'll come home yeah I'm coming home again

SHOUT OUT

Well it's all I got but it happened once again
I'm freakin oh my god

Oh but she's ok coz she's still in my way
I guess I'm ok but I got nothing to say
Well we met just the, the other day

Yes well I'll come home,
I'll come home yeah I'm coming home again
I'm coming home
I'm coming right home
