

## End Of Fashion "Down of Down"

Visit "[Down of Down](#)" on MotoLyrics.com

You left a hole in this home

Your form of currency is attention  
Said your goodbyes and you're gone  
To start a life in a different direction

Go, go and help yourself to them

I think that you're so insecure  
You're either down or down, down or down

So place me back on the shelf  
And take me down when you feel like crying  
I'm not about to be your suicide  
I see the part in you that you can't hide

Go, go and help yourself to them

I think that you're so insecure  
You're either down or down, down or down

For years you were apple's eye, my only child, my little  
piece of heaven  
So I hardly noticed how the focus turned to borderline  
obsession  
I was never sure if we were all that we were thought to  
be  
I guess we never really seemed as happy as we could  
have been

You left a hole in this home  
Your form of currency is attention

Go, go and help yourself to them  
Run, run away now see if I care

I think that you're so insecure  
You're either down or down, down or down

You're so damn insecure  
you're either down or down, down or down
