I won't forgive this world its sins
Too much pain can do you in
God help me
I keep my victims on the wall
You and, your little team of winners
Chorus
(God Help me) Helpless little girl. Keep it up (Keep it up)
Keep the pain up.
I get so fussy when I'm on my own
I get so fussy when I'm in control (woah oh oh)
Fussy when I'm on my own
I get so fussy when I'm in control (Woah oh oh)

I'm gunna run this river dry
You never saw me yesterday (you didn't see me)
Eat my heart and let me-- go
Eat my heart and let me-- stay
I'm doing alright (I'm doing alright)
I'm doing alright (I'm doing alright)
I've got enough in mind (Got enough in mind)
I'm doing alright (I'm doing alright)
Chorus
Helpless little girl. Keep it up (Keep it up)
Keep the pain up.

I get so fussy when I'm on my own
I get so fussy when I'm in control (woah oh oh)
Fussy when I'm on my own
I get so fussy when I'm in control (Woah oh oh)

And I remember you and you and all of this and all of
this
And I remember you and you and all of this and all of
this
And I remember you and you and all of this and all of
this
I--- Keep it up--!!
Chorus
Helpless little girl. Keep it up (Keep it up)
Keep the pain up.
I get so fussy when I'm on my own
I get so fussy when I'm in control (woah oh oh)

Fussy when I'm on my own
I get so fussy when I'm in control (Woah oh oh)

Help-less lit-tle-girl
No no no don't seem so angry
Help-less lit-tle-girl
Please for-give me
