Da, da, da, da, da, da, da, da, da, da
Da, da, da, da, da, da, da, da, da, da

Hey, there must be something to this
You say you're not alright
Try to remember, you when

Ya ooh, hoo, hoo
You don't relax, you don't even try
Don't delay, lock up your daughters tonight

So many ways I'll be sorry
Ooh, say you're not alright
One of us should try it, all night

Ya ooh, hoo, hoo
You don't relax, you don't even try
Don't delay, lock up your daughters
Don't delay, go tell your mother
Don't delay, lock up your daughters tonight

Da, da, da, da, da, da, da, da, da, da
Da, da, da, da, da, da, da, da, da, da
Da, da, da, da, da, da, da, da, da, da
Da, da, da, da, da, da, da, da, da, da

Don't delay, lock up your daughters
Don't delay, go tell your mother
Don't delay, lock up your daughters tonight
Don't delay, lock up your daughters
Don't delay, go tell your mother
Don't delay, lock up your daughters tonight
