

## End Of Fashion "Rough Diamonds"

Visit "[Rough Diamonds](#)" on MotoLyrics.com

Oh no look at the way they start to act  
I know I've been away too long to ask

Caught in a sea of rough  
Diamonds if that's not enough  
Imagine me if you were not here  
This wicked spell of travelling's  
Just a mystery unravelling  
I'm holding on to when you are here

And now baby where are you  
There's so much I wanted to say  
When I get home  
LIKE I love you I miss you  
Honestly I can't resist you  
No I'm coming home

Wait and I'll stick around  
Till I have found my feet on the ground  
I'm half of me when you are NOT here  
There's a ghost I'm carrying  
Around like memories marrying  
There's a song I want you to hear

BEcause baby where are you  
THERE'S so much I wanted to say  
When I get home  
LIKE I love you I miss you  
Oh honestly I can't resist you  
No, I'm coming home

Oh no look at the way they start to act  
I know I've been away too long to ask  
C'mon c'mon c'mon LIVE LIFE!

Oh now baby where are you  
THERE'S so many things I've got to say  
When I get home  
LIKE I love you I miss you  
Oh honestly I can't resist you  
No I'm coming home

La la la la la la ...  
La la la la la la ...  
La la la la la la ...  
La la la la la la ... AWW YEAH!

I'M caught in a sea of rough  
Diamonds if that's not enough  
ImagINE me if you were not here
