Well Im not too lazy to care about that
Sense of purpose, is getting me back
Well still I try and listen when your mine
Im not too careful to care about you
And God willing, neither were you
But still I try and rumble off my lines, well listen...

Ooooo Ooooo Oooooo
Badly trained and nothing more
Ooooo Ooooo Oooooo

Im not insane, but I know I can behave
And be too careful, than throw it away
And this is how I stumble through my life, well listen...

Ooooo Ooooo Oooooo, Badly trained and nothing more
Ooooo Ooooo Oooooo, With a tail like a dinosaur
Ooooo Ooooo Oooooo, Strange attitude to match
Ooooo Ooooo Oh yeaaaah!

Ahhh Ahhh Ahhh Ahhh

Don't need a reason, I know it sounds strange
You be my reason you make me wanna

Ooooo Ooooo Oooooo Badly trained and nothing more
Ooooo Ooooo Oooooo With a tail like a dinosaur
Ooooo Ooooo Oooooo Stange attitude to match
Ooooo Ooooo Oh yeaaaah!
