

End Of You "Liar"

I may wonder why
I don't like the way I am supposed to feel
- All the things I like
How could I deny
Who I really want to be
- If I just could

Reason why I
Don't know the difference between you and the rest
- Because no one cares
Want to lie?
Do you want to be the only one?
- Well, you aren't wrong

[chorus]
I got to say
I need to say
I want you to hear me, is not too late
Don't walk away
Show me some faith
Just one more day and I show you the world

I may wonder why
I don't like the way I supposed to feel
- All the things I like
Want to lie?

Do you want to be the only one?
- Well, you aren't wrong

[chorus]
I got to say
I need to say
I want you to hear me, is not too late
Don't walk away
Show me some faith
Just one more day and I show you the world
Because I will be
The one who cares
And I will be here just for you...

Here we are

Step aside
Because we lie
We don't mind
We hear what we want
Will it be alright?

[chorus]
I got to say
I need to say
I want you to hear me, is not too late
Don't walk away
Show me some faith
Just one more day and I show you the world
