Have it your way, we'll have the answers in a week  
We'll take some measurements and work it out with the  
sums  
Cos their way, what a way, anyhow it doesn't matter  
much  
Cos their way, what a way, anyhow now it's got stuck, it  
just wasn't enough

Low low low, low low low  
Find a reason why, find a reason why

Pay attention son, you might learn something  
You work real hard at it and just look what you could be  
You soak it up, every word of advice, still it's missing  
You're searching for something so invisible, raise your  
glasses to cheer for what you're not

Low low low, low low low  
Find a reason why, find a reason why I...
