What we said

we never meant
What we meant was never heard.
I hate you!
I hate you!

Everything was just pretend
Now it left with three straight words
I hate you!
I hate you!
Everything was just pretend
Now it left with three straight words
I hate you!
I hate you!

What we said
we never meant
What we meant was never heard.
I hate you!
I hate you!

Things are not
what they seem.
Things are not
what they seem...

What we said
we never meant
What we meant was never heard.
I hate you!
I hate you!

Everything was just pretend
Now it left with three straight words
I hate you!
I hate you!

Things are not
what they seem.
Things are not

what they seem...
