"How To Pass The Time"

Visit "[How To Pass The Time](#)" on MotoLyrics.com

Make it to the club where

Clawing across the dancefloor
'Cause she can't avoid the pull
Got to make your way through another night out
Got it inside out
Got it inside out
Inside out
Inside out

You make it to your bedroom
Where you'd move in for the kill
And through this wearing hole you
Gotta make your way through another night out
Got it inside out
Got it inside out
Inside out
Inside out

You call this hedonism
Its just to pass the time
So you wake up wearing the same clothes
You haven't resolved the itchin' inside
You got it inside out
Got it inside out
Inside out
Inside out

Woo!

Oh-oh-oh
Oh-oh-oh
Oh-oh-oh
Oh-oh-oh

Oh-oh-oh
Oh-oh-oh
Oh-oh-oh
Oh-oh-oh
