Made a mistake  
I made a mistake  
I wear the scars to show my shame

Made a mistake  
I made a mistake  
I wear the scars to show my shame

What should I do?  
What should I do?  
When I'm the one who can't get through

What should I do?  
What should I do?  
When I'm the one  
Hey  
I'm the one to blame

I (woo ooh oo)  
Can't (woo ooh oo)  
See (woo ooh oo)  
Past (woo ooh oo)  
This (woo ooh oo)  
Chance (woo ooh oo)  
For us to (woo ooh oo)  
Reconcile these doubts (woo ooh oo)  
They've all (woo ooh oo)  
Gone on (woo ooh oo)  
For far too long (woo ooh oo)  
Yeah, it goes on and on and on and on (woo ooh oo)  
On and on and on and on (woo ooh oo)

Made a mistake  
I made a mistake  
I wear the scars to show my shame

Made a mistake  
I made a mistake  
I wear the scars to show my shame

What should I do?  
What should I do?

When I'm the one who can't get through

What should I do?

What should I do?

When I'm the one

Hey

I'm the one to blame

Just (woo ooh oo)

Not (woo ooh oo)

Built (woo ooh oo)

For (woo ooh oo)

This (woo ooh oo)

Role (woo ooh oo)

And all the time (woo ooh oo)

Much better spent(woo ooh oo)

But it all drags on for far too long (woo ooh oo)

And it drags on and on and on and on

On and on and on and on

Made a mistake

I made a mistake

I wear the scars to show my shame

Made a mistake

I made a mistake

I wear the scars to show my shame

What should I do?

What should I do?

When I'm the one who can't get through

What should I do?

What should I do?

When I'm the one

Hey

I'm the one to blame

I wish I was someone better

I wish I was someone better

I wish I was someone better

I wish I was someone better

I wish I was someone better

I wish I was someone better

I wish I was someone better

I wish I was someone better

I wish I was someone better

I wish I was someone better

I wish I was someone better

I wish I was someone better

I wish I was someone better
